1 June 2010

Dear Customer

This just confirms that we are releasing one new PROVENANCE bottling this month whose tasting notes follow:

PRV0623 CLYNELISH 12 YEAR OLD
On the nose detect spicy citric notes with oak, grist and copious honey apparent. The palate also shows distinct honey, with an attractive backdrop of barley and soft buttery oak – all leading to a still sweet finish, which is spicy and trails smoke. (F)

We hope you like it and the current selection is proving attractive to you.
Thank you for your support which is appreciated.

Please accept our best wishes,

Fred H Laing
Managing Director
