Dear Customer

For our September releases we are pleased bring to your attention three (3) new bottlings under the PROVENANCE label.

Tasting Notes:

PRV 0642 Mortlach 12 Year Old

Spicy and citric initially on the nose –it warms to homebaked gingerbread, jam and honey. The crunched sugar style palate is equally sweet, still spiced and enticing with a finish that roundly brings together all those flavours on burnt toast. (F)

PRV 0644 Arran 12 Year Old

Opens fresh and fruity on the nose with fresh apples & pears - running to a stewed fruit quality plus toffee. The palate is round and sweet with a gristy character and carries a honey and vanilla character. The finish is light and pleasing, still sweet & fresh. (J)

PRV 0648 Laphroaig 9 Year Old

Opens distinctly sweetly with honey and vanilla plus distant smoke and its beach bonfire quality appearing late. The palate is clean and fresh, still sweet and slowly develops to burnt cookies and soft tar. Sweet smoke, soot and dry ashes continue on the finish, where they run and run. (J)

We hope you will appreciate this new selection.

All best wishes,
Fred H Laing
